Accepting Rebates Was the Charge Against the New York Company

Buffalo, N. Y., Jan. 23.—The Standard Oil Company of New York was fined \$55,000 by Judge Hazel in the federal court today for 143 violations of the Interstate Commerce Law in accepting rate concessions in 1904 and 1905 from the Pennsylvania and New York Central railroads on shipments of oil from Olean, N. Both railroads had previously been fined, the Pennsylvania \$55,000, following conviction on more than 100 counts, and the New York Central \$20,000 after pleading guilty. The maximum possible fine in the Standard Oil case would have been \$2,860,000, or \$20,000 on each count.
